

## The Electronic Medical Record rollout continues!

Clinical documentation by nursing & allied health professionals, admission history & physical, discharge summary and plan will all be computerized in June!

### Who needs training?

All Attending and Resident physicians, Physician Assistants, and Nurse Practitioners

### How do I get trained?

Web Based Training – 5 available modules

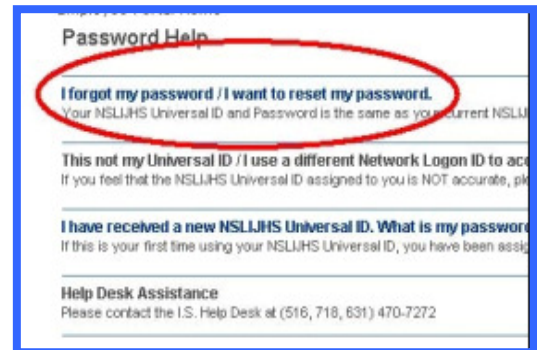

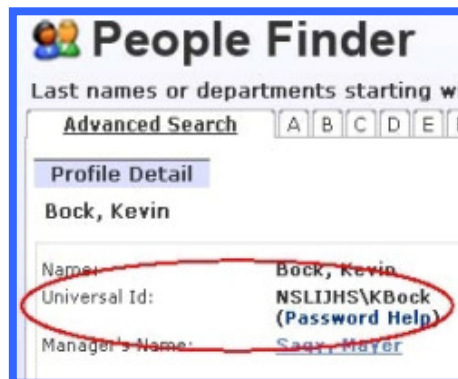

- Viewing Documentation (45-60 minutes)
- Reviewing & Signing an H&P Note for Attending Physicians (20 minutes)
- Creating an Adult H&P Note, Discharge Plan & Discharge Summary (45 minutes)
- Creating a Pediatric H&P Note, Discharge Plan & Discharge Summary (45 minutes)
- *Bonus: Overview of KBC (30 minutes)*

### How do I access the training?

Go to the [CIS Webpage](#) on HealthPort

- Select the Learning Management System (LMS) in the upper right hand corner; use your Universal ID\* (the same ID and password you use to access Sunrise) to log in.

*\*If you do not remember your Universal ID/Password, go to PeopleFinder in the upper left hand corner of HealthPort*

**For any other questions, please call the Help Desk at 516/718/631-470-7272, option #2**
